SIZE Really Does Matter !

DO YOU WANT A BIGGER, THICKER, LONGER PENIS?

PENIS SCIENCE 101

When it comes to the chemistry and mechanics of the penis there are many components to take into account. Unfortunately most pills on the market, even prescription pills, only address one, maybe two of these components. You probably know that testosterone is a major trigger for penis function but what about nitric oxide ? Medicos have long known of the benefits of nitric oxide but it was only recently that the wonders of this molecule and its role in the function of the male member was discovered. So important was the discovery that the three pharmacologists who made the discovery were awarded the Nobel prize. Nitric oxide works on the vascular system and is an integral component in aiding the flow of blood into the penis thus providing for maximum growth potential.

CONCENTRATED FORMULA

The ingredients of Testrone with Tongkat Ali have been shown to increase both testosterone and nitric oxide in the blood. Only the strongest potency herbs are used in our formula. The Tongkat Ali is imported from the most reputable sources in Asia. This herb has been used by men throughout Asia for centuries to increase desire, libido and performance in the bedroom

Imagine when your partner sees how thick and long you are. Eliminate worries about going soft or coming too soon. Maintain virility so that you can increase the number of times you can perform.

Bruce Willis's daughters get nude for art!

OH YEAH, it's all about the art…or should we say ARSE? When it comes to Bruce's daughters **Scout** and **Tallulah Willis** posing with their pants off it's also about the FANNY!

There's plenty of both in a series of raunchy shots they posed for in London to promote fashion label ALYX.

The sisters got involved because they're really into clothing – even if they spend half the photo shoot TAKING THEM OFF.

Yep, dress the Willis gals in fine fashion and stick a Nikon in their faces, then step away and let the fireworks begin.

"We get in front of a camera and we have fun," Scout said. "You make it an experience and an adventure, like everything else – why not enjoy it? And that's what makes good photos come out."

Flashing some bare flesh doesn't hurt either, right ladies?

Scout rests on Tallulah's tush...

...and Tallulah tries to avoid staring at Scout's vagina!

RISKY BUSINESS

Cara is undressed for success!

PHOTOS BY DDF PROD

WHEN you're a hard-working glamma model like **Cara Brett**, getting naked for a living is both a business AND pleasure. In this EXCLUSIVE interview, the 27-year-old Nottinghamshire spunk revealed she's a fun-loving babe, but also very serious about her career.

HEY there, Cara. What's the BEST thing about having 32FF whoppers?

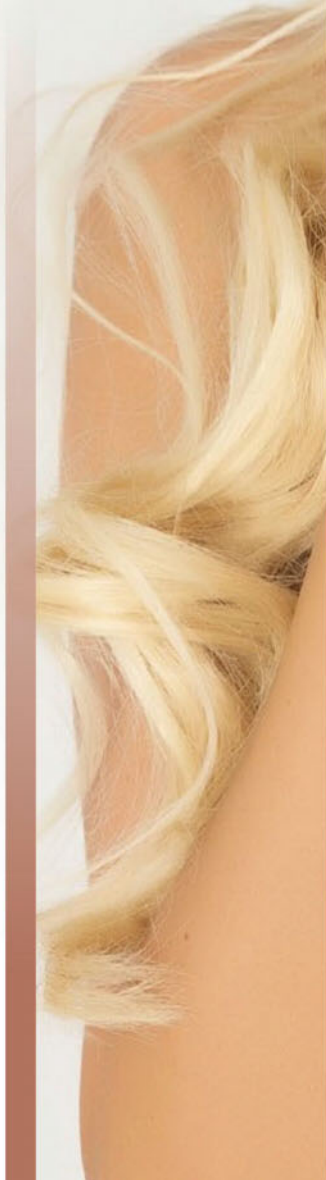
"Well, I paid for these, so I chose the size and shape. They are exactly what I wanted! They also come in handy when you want to get to the front of queues and little freebies."

How should a man approach your bosoms when he encounters them in bed?

"My nipples are more sensitive since I had them enlarged, so pay attention to them…and I'll pay attention to you!"

What's the WORST thing a man can do sexually that'll get him kicked out of bed?

"The worst thing is to be a sloppy, messy kisser! For me kissing is ▸



very intimate and you can put me off with a crap kiss!! The best thing is to take your time around my neck...inner thighs...between my legs..."

Ha! We get the picture, Cara. Does sex feel better for guys or girls – or is it a win-win situation for everyone?

"I can't comment for a guy, but it feels pretty fucking good to me! I think it's win-win. If a guy knows what he's doing he can make me cum at the same time and it's the best for both, right?!"

What's the sauciest piece of clothing to leave on during a sex sesh?

"I rarely wear clothes round the house, so if it's spontaneous I'll probably be naked anyway! But when it's pre-planned I do love a lace top black stocking left on. That's quite hot."

Favourite sexual position?

"I love doggy style – I'm quite flexible, so I do enjoy sticking my ass up and arching my back! It gets the cock in deeper, too."

If you could shag any famous celebrity, who would you choose, mate?

"OK, so throwback to the 80s...

'I RARELY

WEAR CLOTHES ROUND THE HOUSE'

RISKY BUSINESS

RISKY BUSINESS

'SEX FEELS PRETTY FUCKING

I'd go for Nikki Sixx from Mötley Crüe! If I'm allowed two put Bradley Cooper in the mix!"

Gotcha. You're quite the businesswoman – glamma model, website entrepreneur, TV host, etc. How hard is it to run your empire, Cara?

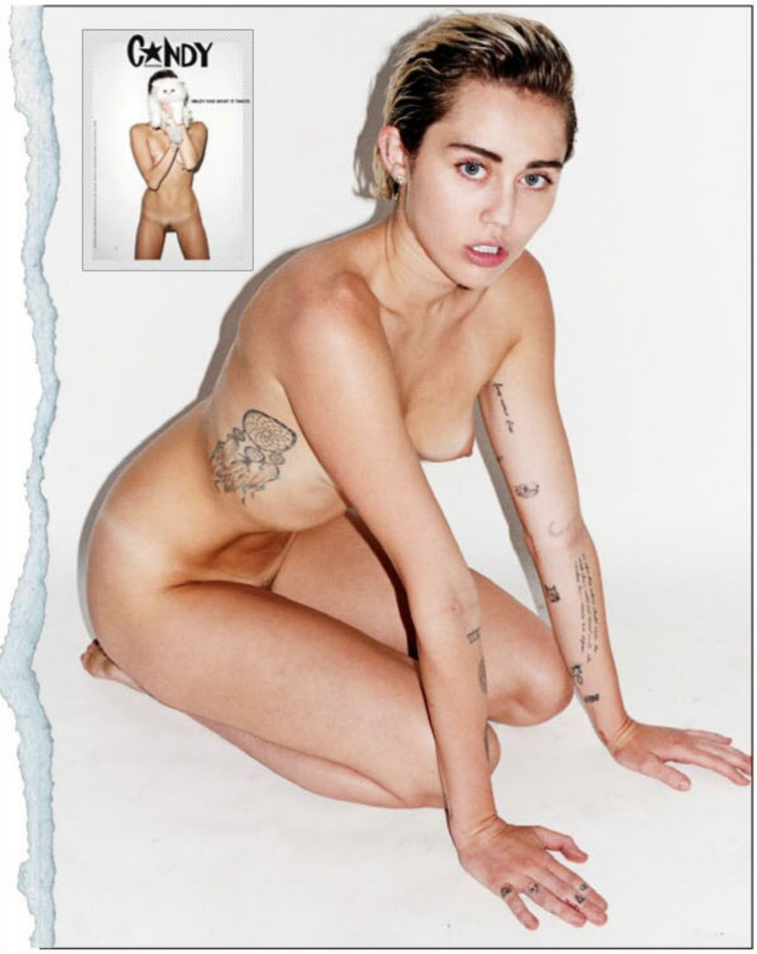
"I enjoy my work, so I think if you love what you do it's not really work, I have a great team around me. I only work closely with a set few people whom I trust. Also, I've been in the business nearly 10 years, so I must be doing something right!"

What's the funniest thing to happen to you during a shoot?

"I once locked myself outside on a hotel balcony while totally naked! The photographer had to call the hotel staff to come up and mend the door...while I was still stranded nude!"

To keep in touch with Cara's big plans for 2016, visit her website (www.carabrett.com), and follow her on Twitter (@misscarabrett) and Instagram (@misscarabrett).

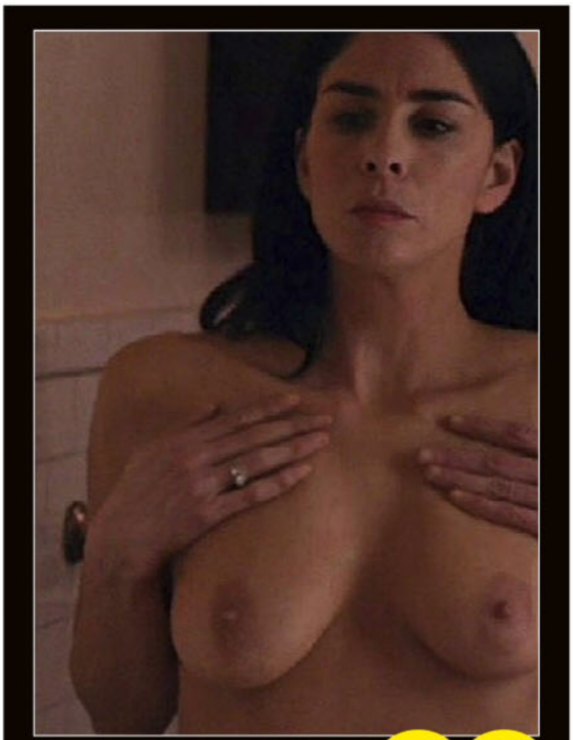
GOOD TO ME!'



MILEY'S V IS SWEET CANDY

TWICE SMITTEN

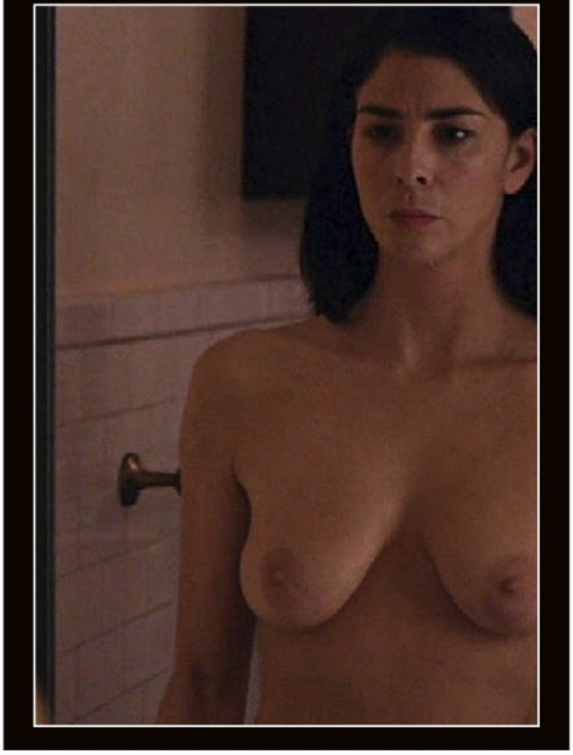
CHEEKY champ popster Miley Cyrus, 23, has posed totes naked in the make-up chair for snapper Vijat Mohindra in a photo featured in issue 98 of *V*, as well as ditching her gear before the lens of maestro Terry Richardson in a kink-tastic shoot for *Candy* magazine "Miley has what it takes," reads the cover line on the latter. Hell, yeah. What it takes to make us happy, horny and hungry for her next pics!



BACK & FRONT

BARER SILVERMAN

ONE of our favourite Hollywood ladies, comedian-actress **Sarah Silverman**, has flopped out her fabulous pair of flabdabs again. On this occasion, the toplessness was integral to the 45-year-old's role in new flick *I Smile Back*, about an unhappy/unwell housewife who gets high and roots around and shit. We hear Sarah gives an excellent performance – and we see her jugs definitely do.



SISTER RACKED

KUPCAKES!

IT SEEMED only fair to run the pink pokers of **Kourtney Kardashian**, 36, adjacent to the cleavage of her half-sis and *Keeping Up With Kardashians* co-star **Kylie Jenner**, 18. Youse don't need to be turning the page to put two and two together. You've got MORE IMPORTANT THINGS to do with those hands. For the record, Kourt was "running errands", while Kyles was on a date with rapper Tyga. We're not sure what their siblings Kim, Khloe or Kendall's breasts were doing at the time, sorry.

PLAYBOY
ÍNDIA FITNESS

NATURE STRIP

FIT BITS

BRAZILIAN fitness model Cintia Vallentim aka **India Fitness** doesn't like exposing herself "very close" ...but she couldn't miss the chance to pose in her country's *Playboy*, snapped raunching up the rainforest by Marco De Bari. You know what else India dislikes? All the dudes who are now offering her stuff to sleep with them – everything from 30,000 real (about AUD$11,000) to A HORSE!

SECRET SERVICE

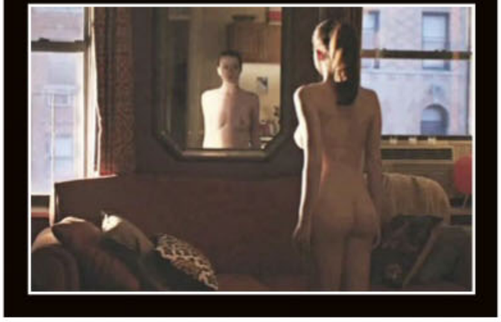
SPICY DAL

WATCH out, Victoria's Secret, there's a new rival to your expensive frilly knickers in the form of Spain's suspiciously similar-sounding Women's Secret. The label recently staged a huge event in Madrid, starring sexy home-grown fashion plates such as Dalianah Arekion. OK, so maybe the lingerie Dal was given for this trot down the runway didn't quite fit. Absolutely no bastard was complaining.

DANCE FLOORED

FLESH-FEST!

LAST ish, we plugged Stan. series *Flesh And Bone*, a gritty ballet saga with an unexpected amount of nekkidity. Here's further proof of our point. Take a bow, (top to bottom) **Aubrey Morgan**, **Emily Tyra**, **Nadezhda Vostrikov**, **Raychel Diane Weiner** and **Sarah Hay**. Long may you parade around minus your tutus!



HELLO, I'M...

NINA ELLE

GERMAN pornette Nina Elle looks wunderbar for 35 – and we're not just talking about her DD blamps. A latecomer to the jiz biz, she's only been banging sheilas and blokes on film since 2013, apparently favouring projects with funny titles: *City Pussy Meets Country Cock*, *You Better Not Fuck My Sis* and the probably-nothing-to-do-with-housework *Stepmom Cleans Up The Mess*.

JESS & BO SHOW

GLAM MAM!

WHERE would the world be without charity galas and awards nights? A lot poorer in glimpses of celebri-titty, that's where! Here are another coupla beauties: 31-year-old module/actrine Jessica White rocking a sheer number at an after-party in LA, and 27-year-old singer V. Bozeman popping a pip at the Soul Train Music Awards in Vegas. Our compliments to their stylists.

PLEASIN' SEASON

RACHEL IN THE KNICK

HISTORICAL medical drama *The Knick* – screened here on Foxtel's Showcase – is well into its second season. The highlight so far, at least for pervs like us, has been this saucy disrobing by **Rachel Annette Helson** in episode four. It's enough to make ya give a rat's about the history of medicine. Almost.

CRAWFORD

CAMERA NOT-SHY

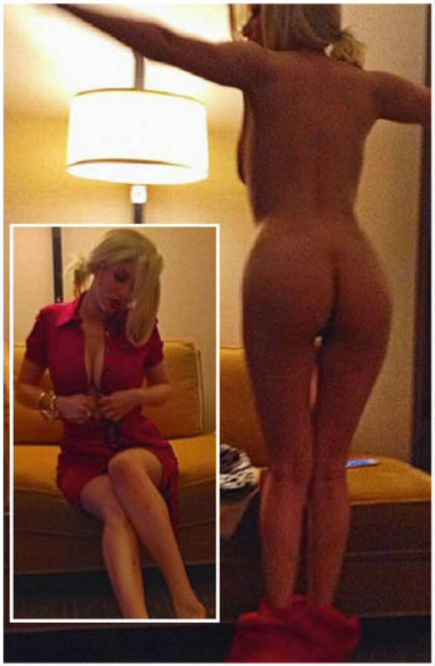
BIRTHDAY (SUIT) GIRL

WE PREDICT that nobody will read *Off Camera 38*, which celebrates megamodel **Cindy Crawford** turning 50 next Feb. That's not an insult. We just can't imagine a rational person seeing the DROOL-INDUCING Sam Jones-shot cover and wanting to flip over to the first page. How's that famous advertising slogan go? When you're on a good thing, stick to it. Preferably not in a literal sense, though.

SHARING THE LOVE

The freshest flesh on celeb social media

Seppo pin-up **Abigail Ratchford** did her bust... er, best Wonder Woman impression.



Celebrity Apprentice Australia starlet **Gabi Grecko** changed from red dress to golden glutes.

DELICIOUS DESSERT

SHAYK CHARMER

FROM the "One we missed" file comes **Irina Shayk**'s appearance in Dubai style rag *Sorbet*. In keeping with the issue's theme of temptation, the 29-year-old Russian catwalker is shown holding an apple on the cover and – more excitingly – with a snake draped over her starkers body inside. Photography by Ali Mahdavi, based on an original idea by Eve, with some assistance from naughty old Satan.

Sorbet
THE TEMPTATION ISSUE

LEAF 'EM HANGING

WHY is "Cosplay Queen" Maitland Ward, 38, wandering the woods wearing leaves on her yummy places? To be honest, we've given up questioning the red-hot ranga's behaviour. The former TV soap star is married to a "real estate baron" and can spend her days doing whatever the fug she wants…especially if it involves pouting and flashing those amazing naturals.

MODEL STUDENT

SCHOOL OF PARTS

IT MAY be a B-grade comedy, but *Bikini Model Academy* (2015) contains A-grade toplessness from the terrifically prolific **Mindy Robinson**. It also contains veteran thespians Gary Busey and Morgan Fairchild, believe it or not. Their characters may not be the most challenging, but there's plenty of BACKGROUND DETAIL where Mindy's glorious boobies are concerned. Here's to you, Ms Robinson!

COMING SOON

KAT

THINK about how exciting it is to find money down the side of the lounge. Now, multiply that feeling by a zillion. That's how excited you're gonna be to discover blonde Oz bombshell Kat posing on a lounge in an upcoming *People*. Here's a preview. You're welcome.

GOLDEN BOLDIES

THIS is one parody we WEREN'T expecting to enjoy, yet somehow Hustler has made 80s sitcom *The Golden Girls* not only funny but also fucking horny. If you're into rooting MILFs (and GILFs), that is.

Instead of putting grey wigs on some 20-somethings and telling them to act like pensioners in ***This Ain't The Golden Girls XXX***, the film-makers rounded up some fine mature talent including 53-year-old **Karen Summer**, who came out of a two-decade retirement to play Sophia.

Also in the cast are veterans **Nina Hartley** (Rose, below), **Darla Crane** (Dorothy) and **Luna Azul** (Blanche).

The dude in charge is Will Ryder (see last issue's *Porn Watch*). You mad bastard genius – we'll never look at the ladies in a CWA meeting the same way ever again!

80 is the NEW 20!

FOREVER AMBER

SHE may be 51 and somewhat unrecognisable after all that plastic surgery, but 1980s X-rated superstar **Amber Lynn** is still going strong and reckons her carnal career is bigger than ever!

These days, she doesn't even have to smoke cock to remain on top of the game, unlike 30 years ago when she guzzled jism in such celluloid classics as *Crocodile Blondee*, *WPINK TV 2*, *Ten Little Maidens*, *Miami Spice* and *Devil In Miss Jones 3*.

The reformed drug and booze addict now hosts a sexy radio show, is producing a biopic on fellow XXX queen Vanessa Del Rio and has just written her autobiography *Call Me Ms. Lynn*.

She told the *New York Daily News* she was the perfect person to produce Vanessa's story on film.

"We lived it," Amber explained. "The industry was born on the backs of women like us."

FUCK TO THE FUTURE

HEY, what better fuckin' way to celebrate the 30th anniversary of *Back To The Future* than rubbing one out while watching a wacky X-rated pisstake?

Doc Brown slams **Cathy Heaven** (right) against the side of a DeLorean, then he and Marty McFly climb aboard to travel back in time, so Doc can revisit the day when he enjoyed the best root of his life.

Much to Marty's dismay, it was when Doc shagged Marty's mum (**Ella Hughes**).

But before Marty can get too upset he meets his mother's randy best friend (**Alyssa Divine**, below) and her amazing mahogany melons! Hot creamy goodness ensues.

Time-hopping hasn't been this much fun since *Hot Tub Time Machine*.

LYNNA NILSSON

BORN: April 1, 1985 in Prague, Czech Republic
STATS: 34C-25-37

QUICK FACTS: She may currently live in Slovakia's capital, Bratislava, but this blonde cougar is eager to get to the porno capital of the world, Los Angeles. Our throbbing tools can't wait to see this nut-suckin' newcomer in more American-filmed action!

STARS IN: *Pulse 2, Fuck Her Right In The Pussy, Private Specials 111: Swingers*

ARE YOU A FAN OF BIG DICKS? "It doesn't matter. I don't mind if it's long, but if it's too wide there's a problem. I like it, but I enjoy deeper rather than wider. But even if it's smaller, if he knows how to use it, it's good."

YOU'VE NOT DONE ANAL PORN YET. ARE YOU EVER GONNA GET YOUR POOP CHUTE PLOUGHED ON CAMERA? "I will, but not now. I do it privately and when shooting for my own upcoming website. But in the future, I'll think about it. I can't do everything at the beginning, because then there's nothing to look forward to."

KINKIEST THING YOU'VE DONE OUTSIDE PORN? "Having sex on a train. It was quite risky."

INDEED! WHAT FANTASIES DO YOU WANNA DO ON FILM, LYNNA? "I always wanted to have sex on the beach – at sunset, in the water. Very romantic."

CARRIE FISHER

Sex and drugs and a rockin' sci-fi role

THE world's joy at the impending release of *Star Wars: Episode VII – The Force Awakens* – out December 17 – was tinged with sadness following reports that Disney has banned any future appearances of the notorious metal bikini from *Episode VI: Return Of The Jedi* that'll live forever in our hearts…along with the woman who wore it so well: feisty Princess Leia, aka actress **Carrie Fisher**.

The 59-year-old was the daughter of singer and "Rat Pack" member Eddie Fisher and award-winning actress Debbie Reynolds. There are two ways kids born into that sort of life generally go: they either follow their parents into the entertainment biz and become superstars in their own right, or they struggle with drug addiction and messy relationships. Carrie did both.

She began at the top, appearing opposite her mum in a big Broadway musical. After studying drama in London for 18 months, she then jumped straight into the Hollywood flick *Shampoo* (1975) as Warren Beatty's young lover. It'd be two more years before her next role, but it would make her immortal – playing rebel Leia in *Star Wars: Episode IV – A New Hope*.

"It just seemed like it would be kinda cool, you know, like there wouldn't be other movies like it," Carrie told website Short And Sweet NYC in 2010. "I thought it was a fantastic script… I thought I'd like it, but I didn't think I'd have that many people that would agree with me!"

There WOULD be other movies like it, of course – *Episode V: The Empire Strikes Back* in 1980 and *Episode VI: Return Of The Jedi* in 1983, in which Leia was forced by villainous space slug Jabba The Hutt into the position of slave girl and into the greatest bikini in the galaxy. (Though she got her own back by choking him to death with her chain.)

Now, the character's returning in *The Force Awakens* and fans are curious to know what the princess has been up to since *Jedi*. It's unlikely to be half as exciting as what Carrie's done in the past 30 years, but.

It was all fun and heavy drinking till rehab came calling

No wonder Chevy looks stunned. He's getting a close-up look of Carrie's knickers in *Under The Rainbow* (1981)

Carrie's ready to cause some mayhem in *The Blues Brothers*

FAMOUS FACTOIDS

- While making *The Blues Brothers*, Fisher's life was saved by Dan Aykroyd when he stopped her choking on a Brussels sprout.
- Not only has Carrie written screenplays, she's been paid to fix loads of other people's – from the idiot box's *The Young Indiana Jones Chronicles* to big-screen flicks like *The Wedding Singer* and *Mr And Mrs Smith*.
- There's a variety of marijuana called Princess Leia. Laughs the actress, "My daughter's boyfriend tried to get a discount."

Let's start with movies: cult classic *The Blues Brothers* (1980), Woody Allen's *Hannah And Her Sisters* (1986), Aussie sci-fi fiasco *The Time Guardian* (1987), the first *Austin Powers* (1997), portraying nuns in both *Jay And Silent Bob Strike Back* (2001) and *Charlie's Angels: Full Throttle* (2003) …and that's only a small selection.

Carrie dated muso Paul Simon, who wrote a bunch of songs about her.

She ditched him to marry comedian Dan Aykroyd, then changed her mind and got hitched to Simon instead.

They eventually divorced but kept dating for a while. Her next major relationship was with casting agent Bryan Lourd, with whom she had a daughter, Billie, before he left her for another bloke.

At the same time, she also partied with some of the wildest dudes this side of Tatooine, from The Rolling Stones to mad comedy genius John Belushi, picking up a cocaine addiction that would lead to several stints in rehab/therapy.

"We did cocaine on the set of *Empire*, on the ice planet," Fisher admitted. "I didn't even like coke that much. It was just a case of getting on whatever train I needed to take to get high."

'I WAS QUITE THE SPACE SLUT'

The drug was still hanging over her 25 years later, when lobbyist Greg Stevens was found dead in her mansion with cocaine in his system. Carrie has confessed that the tragedy, and the feeling Steven's ghost was haunting the place, rekindled her own use.

Despite these problems in her personal life, Fisher has remained very productive and highly successful, churning out five novels and two memoirs, as well as plays and film scripts.

The good sport has also never minded parodying herself and the character with whom she's inextricably linked.

Surprisingly, though, her memories of Princess Leia's unforgettable outfit aren't as happy as ours…

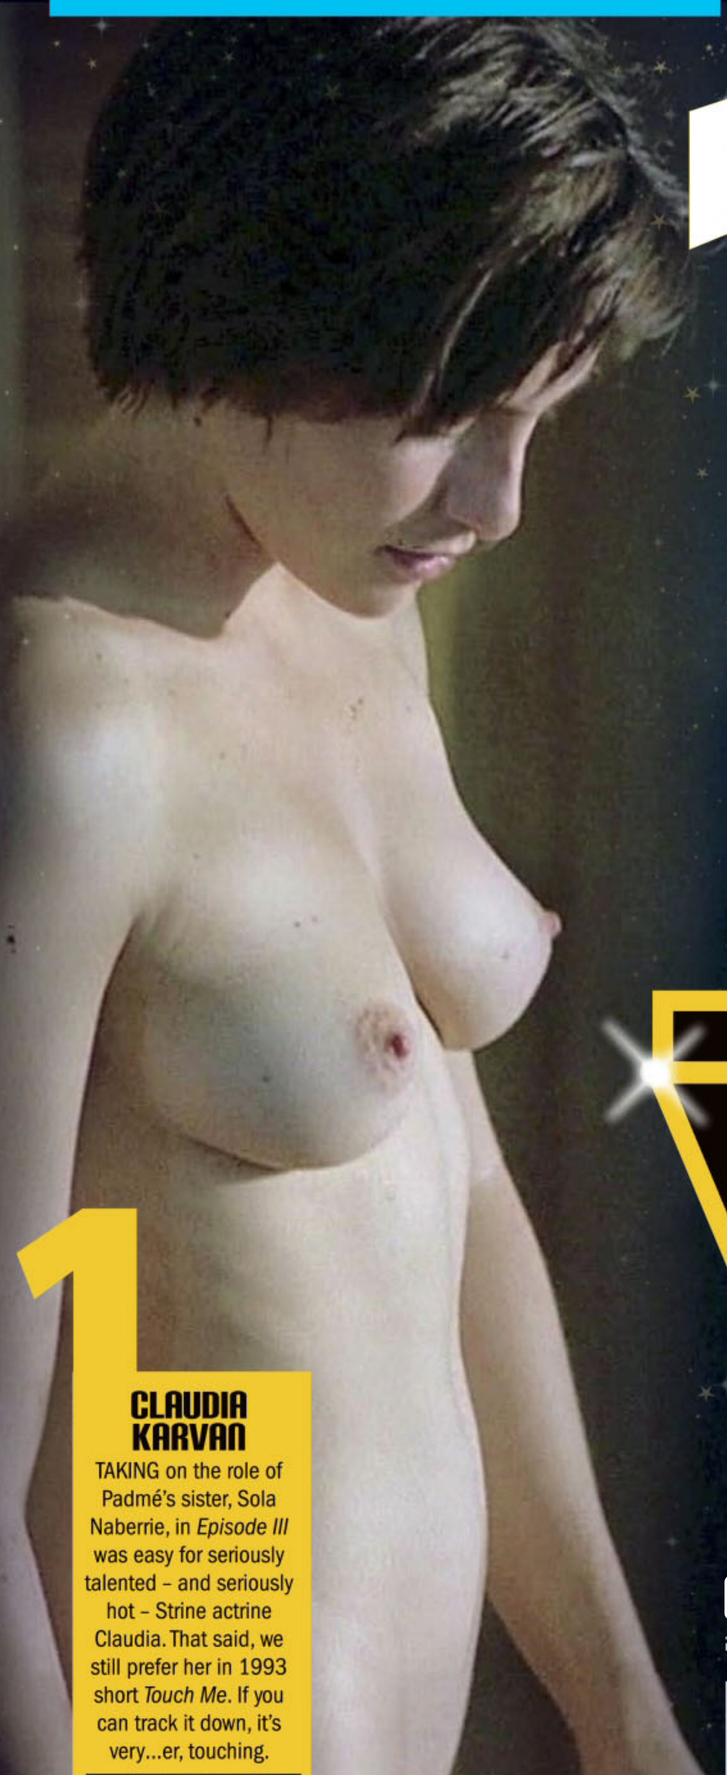
"When I laid down, the metal bikini stayed up," she told fans in 2011. "So Boba Fett could see all the way to Florida."

CARRIE may be the ultimate *Star Wars* babe, but over the page you'll find 10 more – and they've all done nudity!

10 HOTTEST STAR WARS *babes*

(Not counting Carrie Fisher, that is)

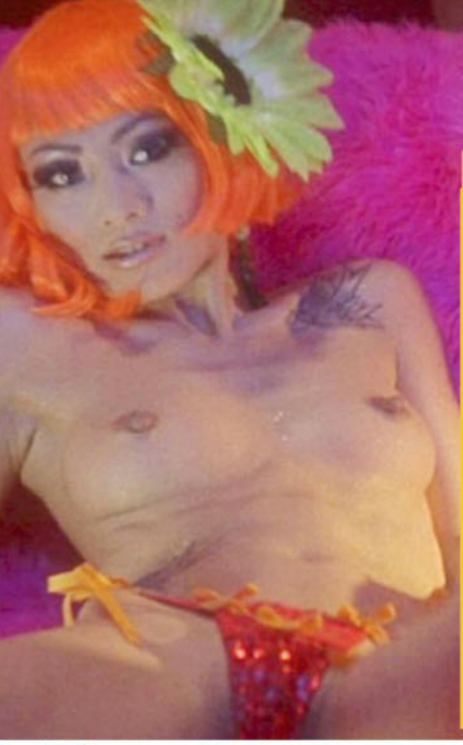
THE ORIGINAL ***Star Wars*** trilogy was justly criticised for its lack of female representation, but George Lucas made up for it with the prequels, which were crammed with fuckable chicks. And Disney is continuing the tradition with the imminent *The Force Awakens* and its young heroine. So, given that we now have loads of actrines to choose from, here are our 10 favourites – all of whom, by a complete non-coincidence – have also kitted off on screen.



1

CLAUDIA KARVAN

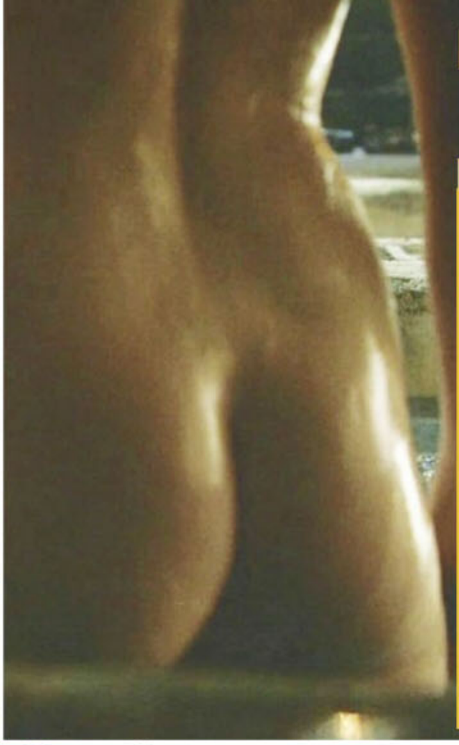
TAKING on the role of Padmé's sister, Sola Naberrie, in *Episode III* was easy for seriously talented – and seriously hot – Strine actrine Claudia. That said, we still prefer her in 1993 short *Touch Me*. If you can track it down, it's very...er, touching.



2

BAI LING

PROBABLY the most important character in *Episode III* ISN'T Senator Bana Breemu (Bai). In fact, you might have to look in the deleted scenes to find her. Alternatively, watch 2005 flick *Edmond*, in which she does a striptease for William H. Macy.



3

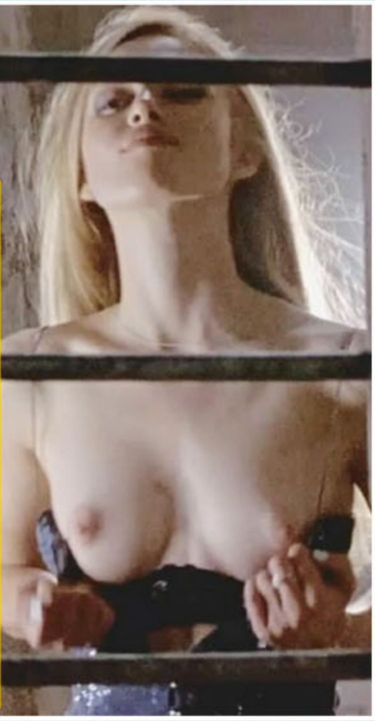
GWENDOLINE CHRISTIE

WE WANTED to include a star from *The Force Awakens* and there was a good reason why it couldn't be Daisy Ridley (see *Animal House*, p37). So here's Gwen, aka Captain Phasma in *TFA*, aka the giant lady knight with the nice bum from TV's *Game Of Thrones*.

4

KEIRA KNIGHTLEY

ONE of the many tangled plotlines in *The Phantom Menace* involves Keira's Sabé, a "royal decoy" for Padmé. Fair enough – under the fancy cossies and make-up, it's hard to tell 'em apart. There's no mistaking KK in this boob flash from 2001 horror *The Hole*, though.



5

FEMI TAYLOR

WERE it not for Carrie Fisher/Princess Leia and the chainmail bikini (see *Hall Of Fame*, p20-21), Femi's sexy alien dancer, Oola, may well have stolen the *Episode VI* show. Her boob even popped out during her deadly tug-o-war with that fat cunt Jabba!

6

SUSIE PORTER

SURE, she only has a minor role in *Episode II* as Dex's Diner waitress Hermione Bagwa, but Aussie Susie has done some majorly impressive nudity throughout her acting career. Like her starkers turn in lesbotic thriller *The Monkey's Mask* (2000), for example.

7

ROSE BYRNE

OZ'S Rose portrays Dormé, another of Padmé's supremely loyal doubles, this time in *Attack Of The Clones*. We're loyal, too. Loyal to the moonlit view of the Byrne buds that features in 2000 rom-dram *The Goddess Of 1967*. We've looked at it about 196,700 times.

8

FIONNULA FLANAGAN

SHAME you went to all that trouble killing your memories of 1984's *Caravan Of Courage: An Ewok Adventure* with cheap vodka, 'cos we need to remind ya of it. Y'see, Fionnula was the mum in that AND a funbag'n'fur flasher in *James Joyce's Women* the following year.

9

NATALIE PORTMAN

NUMMY Natski plays the ultimately tragic Padmé in *Episodes I-III*. But rather than think about her *Star Wars* character dying giving birth to wonder twins Luke and Leia, we prefer to picture Ms Portman bare-arsed and beautiful in 2007 short *Hotel Chevalier*.

10

GENEVIEVE O'REILLY

WHILE Rebel leader Mon Mothma is played by Caroline Blakiston in *Return Of The Jedi*, her younger self is brought to life in *Revenge Of The Sith* by the lovely Gen. We say lovely because we've seen her fleshy ion cannons unveiled in 2010's *Forget Me Not*.

Doing hard time

ON MY first night in the lockup, my new cellmate came over and put his face close to mine.

"Now, listen up reeeeeeeeeal good," he snarled. "There are a few things you need to get straight so we can get along, sunshine."

I nodded in terror.

"Firstly, while we're in here, make sure you keep to your side of the room and I'll keep to mine. Secondly, don't mess with my stuff. Thirdly, never argue with anything I say, and if I tell you to do something, you fucking do it!

"Lastly, if you even think about touching me while I'm sleeping, I'll skin you alive!"

"Fucking great," I sighed. "Not even one full day in here and I'm already bloody married."

AT the staff meeting the other day, the boss said that there were no such things as problems, only "opportunities".

I jumped up and said, "That's great, boss! Because I have a serious drinking opportunity."

Not-so-Jolly Roger

A PIRATE goes to the doctor for a skin cancer check, afraid that the moles on his back might be cancerous.

After examining him closely, the doctor announces, "Good news, Mr Sparrow. They're benign."

"Yarr, ye'd best be countin' 'em again," says the pirate worriedly. "I reckon there be at least 10!"

Adrian, Vic

Head case

A LEGLESS, wheelchair-bound bloke rolled into the pub.

Perched on one shoulder was a brightly coloured toucan and on the other was a huge exotic parrot.

However, the strangest thing of all was that the man had an orange for a head.

After making small talk with the bloke for a few minutes, the bartender was unable to contain his curiosity any longer and decided to ask about the man's unusual appearance.

"If you don't mind my asking, what's the story behind the orange for your head?"

"Now, THAT'S a story," nodded the man. "You see, I was helping my gran clean house when I found an old lamp in her attic. When I rubbed the lamp, a genie appeared. Naturally, I asked for three wishes. First, I wished for the ability to get any beautiful birds that I wanted."

He sighed and gestured to the birds on his shoulders, then continued, "Well, I got that wish. Secondly, I asked for my dick to touch the floor."

He pointed at the empty air below his waist, "So my legs fell off."

"Fuck," said the bartender. "Should've phrased those wishes better. So what did you ask for to get an orange for a head?"

The bloke looks puzzled, then replied, "Why...an orange for a head, of course."

James, NSW

Experience needed

A HIGH school student got his dream work experience placement.

He was immediately shipped to China, where he was locked in a small airless room with 50 other workers, toiling for 16 hours a day, sewing fake designer bags and wallets until his hands bled and he was near collapse from exhaustion.

Upon his return at the end of the week the teacher asked, "So what have you learned from work experience?"

Johnny replied meekly, "The correct way to spell 'sweetshop'."

Rob, Qld

Thought that counts

"I GOT a big hairy sweater for Christmas," one bloke complained to another.

"Sounds like a bit of a shit present," commented his mate.

"It was better than nothing at all," admitted the first guy. "But I'd have preferred a screamer or a moaner."

Rage before beauty

UNABLE to haggle down the price of a second-hand car, a middle-aged couple eventually got frustrated and left the dealership. An hour later, they returned and were annoyed to find that the car had been sold to a young, pretty, busty blonde at a much lower price.

Angrily, the bloke cornered the smarmy salesman and yelled, "Look here! You knew we wanted to buy that car, but you refused to budge on the price. Now you've gone and sold it to this bimbo for $10,000 less! How is that fair?"

A BLONDE was at a job interview.

Nearing the end of it, the employer asked, "If you could have one person in history over to dinner, living or dead, who would it be?"

The blonde thought long and hard before finally answering, "Well, you've kinda put me on the spot. But probably the living one."

Frisky monkey

TARONGA ZOO'S new female gorilla, Betsy, had recently been acting strangely, throwing violent tantrums, screeching constantly and behaving uncontrollably. Nothing could calm her down.

Eventually, the gorilla handlers realised she was on heat and needed to mate.

The problem was there were no suitable male gorillas around for Betsy.

One day, the head gorilla handler came up with an idea.

"Hey, Wally," he called out to the zoo's ugly, dopey dogsbody. "Got a proposition for ya. How'd you like to have sex with lovely Betsy there, for $1000? She's so cuddly and cute, just like a real woman."

Wally said, "Yeah, I guess I'll do it, but only under three conditions. First, you can't tell anyone. Second, I don't wanna kiss her."

The head zookeeper nodded, "Fine, fine. And what's the last condition?"

"You gotta give me a week to come up with the $1000."

This is gold!

A YANK decided to write a book about famous churches around the world.

He bought a plane ticket and took a trip to Orlando, Florida, intent on working his way across the USA.

On his first day he was inside a church taking photos when he noticed a golden telephone mounted on the wall with a sign that read, "$10,000 per call."

Intrigued, he asked a priest what the phone was for.

"It's a direct line to Heaven," the priest replied. "For $10,000 you can talk to God."

The American thanked the priest and went along his way. Next stop was Atlanta.

At a large cathedral, he saw another golden phone. He stopped a nun, who told him it was a direct line to Heaven and that for $10,000 he could talk to God.

Travelling from city to city, the Yank kept finding golden phones that offered the same service.

Eventually, he decided to travel to Oz to see if we had the same phones.

He arrived in Sydney and headed to the closest church he could find.

There he found the same golden phone, but this time the sign under it read, "40 cents per call."

Surprised, the Yank stopped a passing priest and said, "Father, I've travelled all over the USA and I've seen this same golden phone in many churches. I'm told it's a direct line to Heaven, but in the USA the price was $10,000 per call. Why is it so cheap here?"

The priest smiled and answered, "You're in Australia now, mate – it's a local call."

WAKING DREAM

DAISY FRESH

I CAN'T fuckin' wait to see *Star Wars – Episode VII: The Force Awakens*, and I don't mind the look of lead actress Daisy Ridley, either. What can youse tell me about her? Has she done nudity?

MM, NSW

Daisy's got that natural-beauty-next-door thing going on, hasn't she? The 23-year-old Londoner had only really done British telly prior to her big break in *Episode VII*. She was topless on a mortuary slab in an episode of *Silent Witness* in 2014, but we don't run those sorta unpleasant screen grabs – even if Daisy was just pretending to be unalive. That way leads to the dark side of the Force.

FROM UKRAINE WITH love

Euro-babe wants your cock... and vodka!

PHOTOS BY MET-ART

A FUNNY thing happened to 23-year-old Ukrainian backpacker **Niemira** on the way to the shops last week. What was supposed to be a top-up of her favourite cigarettes turned out to be anything BUT! Goes to show you never know what's waiting for you around the corner in beautiful downtown Melbourne.

HEY, Nie! Didn't your mum ever tell you smoking is bad?

"Yes, but she smokes like two packs a day. So does my dad. Everyone smokes in the Ukraine. Still, they're great parents and tell me I shouldn't do it."

Smoking knobs is a healthier alternative. We hear you recently enjoyed a random pick-up in the city, right?

"It was a Friday night and I was at a 7/11 buying some smokes when I met the most GORGEOUS guy. I never fuck strangers but this guy was something else. I think he was a bit drunk, too, which helped him summon the courage to talk to me."

Did he slur his way into your panties, buddy?

"He invited me to a party he was having at his place with the promise of free vodka, so I took a chance and went along. The party went on till about 3am, but that's when the REAL fun began."

Youse must've been pretty drunk by that stage.

"He was wasted but I'm of hardy ▸

‘I ENJOYED HIS DICK IN MY MOUTH AND PUSSY’

Eastern European stock, so I can drink my body weight in vodka and still drive to work fine the next morning. Pissed, but fine. Anyway, I was SOOOOOOOO keen on him but I was worried he'd be unable to get it up in his drunken state."

We doubt he would have had trouble after looking at your naked bod.

"He didn't, thankfully. My GOD it was the stiffest, most beautiful penis I had ever seen. I enjoyed his dick for hours, both in my mouth and pussy. I was the first non-Australian girl he'd been with and I made sure it was a night – or early morning – he'll never forget."

Are you guys dating now?

"It was a bit tempting, but I made a promise to myself that I wouldn't get tied down with a boyfriend in your country."

Bugger on a stick.

"However, I'm happy to be TIED UP if the right Scout leader comes along."

Dib, dib, dib!

LUCKY DIP

DO YOU like scoffing them peanut M&Ms, Niemira?

"They're OK, but the originals are still the best. To be honest, I've developed a taste for Smarties since I moved to Melbourne."

LADIES LOUNGE

PANDORA | 22 | People's Choice, Oct. 26

WHAT'S YOURS, DARL?

WHAT drink do you order on a first date? "If I'm trying to make a good impression, I'll stick to vodka, tonic and lime. Because I can stay sensible on vodka and it doesn't make me go red!"

And what would a bloke order if he wanted to impress you? "Umm...I dunno, probably scotch or something! To be honest, it's not like I'd care unless he ordered something ridiculous like a pink Bacardi Breezer."

Hey, what if he just likes fruity flavours? "You know what? Good on him. I'd probably give him points for not giving a fuck."

BACARDI BREEZERS: We all know real men drink only brown booze, like beer and JD and... Bailey's Irish Cream. But even the manliest among us will occasionally long for something sweet and fruity between our lips – especially if it gets us so trashed our parents will have to come pick us up. Like deliciously colourful Bacardi Breezers. We're puking the rainbow tonight!

SHAMEL

These poor gals are richly rude and starkers!

CLEARLY, being poor and living in a fucked-up city slum isn't as bad as we've been led to believe. Because, in the dysfunctional world of the Gallagher family, living below the poverty line means you get to see PLAPPS-OUT HOTTIES practically every day!

Maybe none of the chicks have enough dosh to spring for bras'n'panties?

Anyway, we assume Yank cable dramady *Shameless* is a true-life depiction of folk doing it hard in Yankeeland. ▸

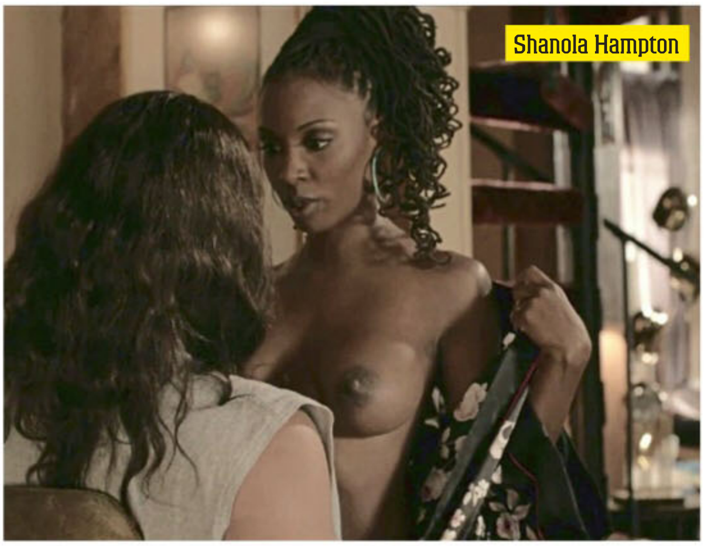
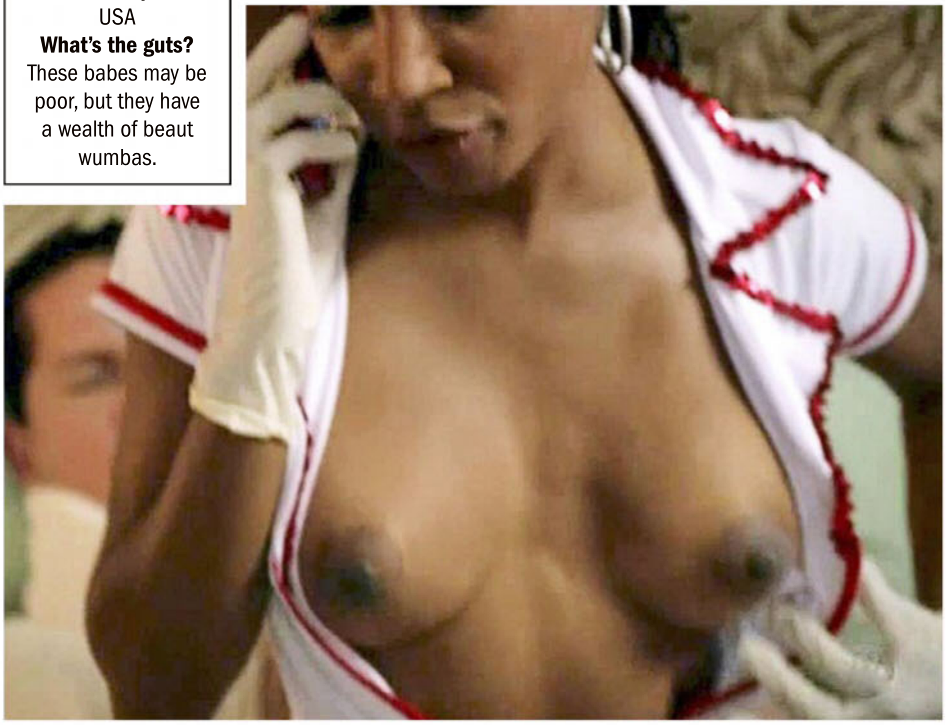
What's the guts?
These babes may be poor, but they have a wealth of beaut wumbas.



Shanola Hampton



After all, when has teevee ever lied to us?

Dad Gallagher (William H. Macy) is a drunken, abusive conman…but who gives a shit about him?

It's his spunky daughter Fiona (**Emmy Rossum**) who we're more interested in, especially as she gets nekkid nearly every episode.

She probably does it for a change of pace after spending all day raising her delinquent siblings by herself. Hey, everyone needs a hobby, right? Right.

Fiona's next-door neighbour and best friend Veronica (**Shanola Hampton**) is also an avid strip-off merchant.

Which is something we wholeheartedly endorse.

Add to this mix the topless likes of **Laura Wiggins** and **Stephanie Fantauzzi** and it's a non-stop cavalcade of cans-akimbo cuties!

Yep, *Shameless* is both confronting, yet heart-warming (and knob-swelling).

If you're not already doing so, check it out on the telly or on DVD.

Or in front of the computer if you've illegally downloaded it. (Don't worry, we won't tell anyone.)

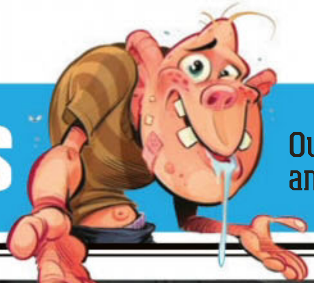
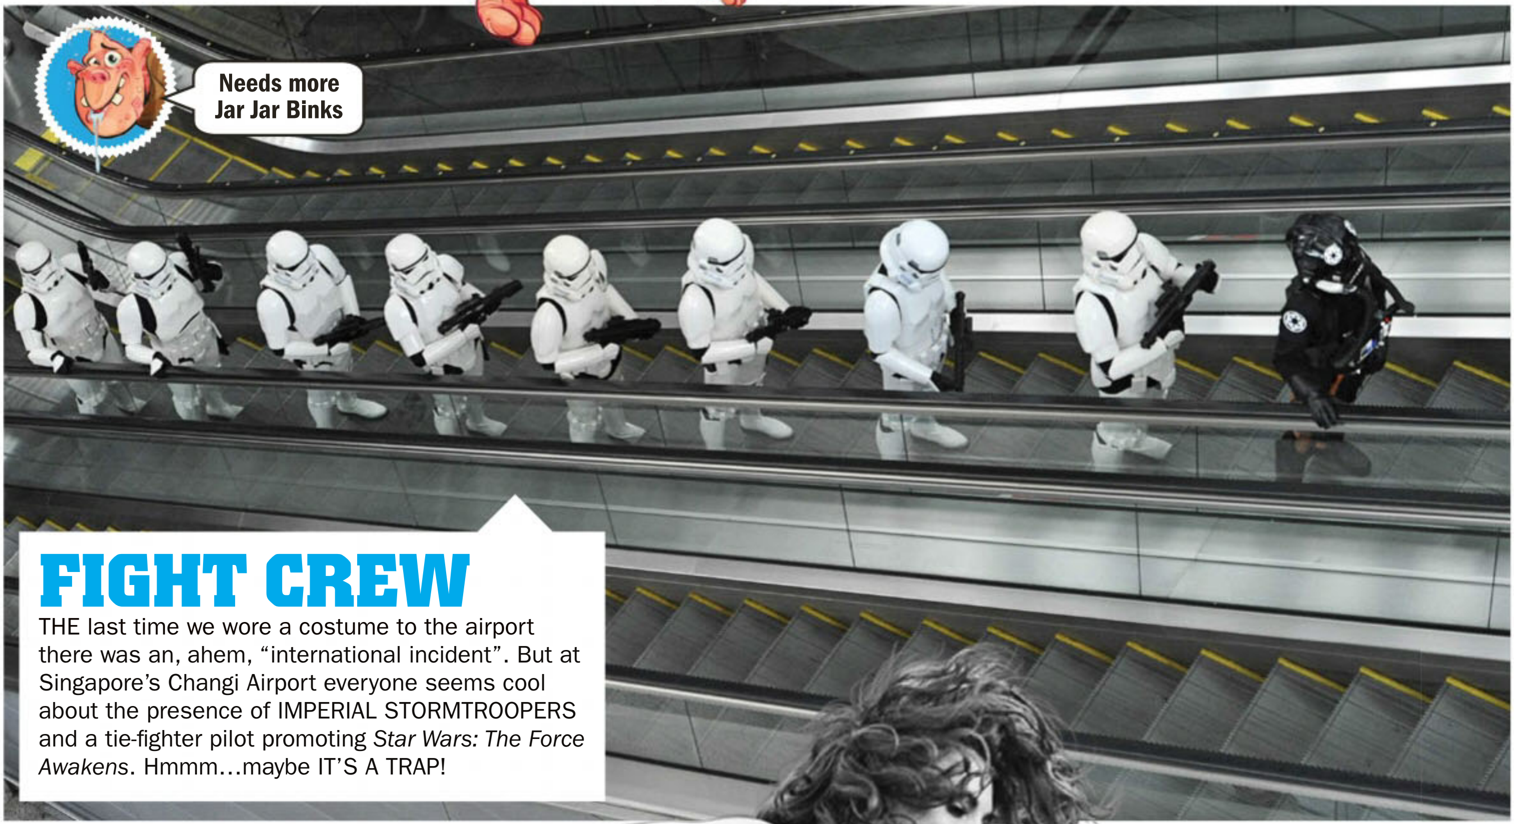
NEWS TO US

Our fuckwit Bogdan presents
another dose of weirdness





Needs more Jar Jar Binks

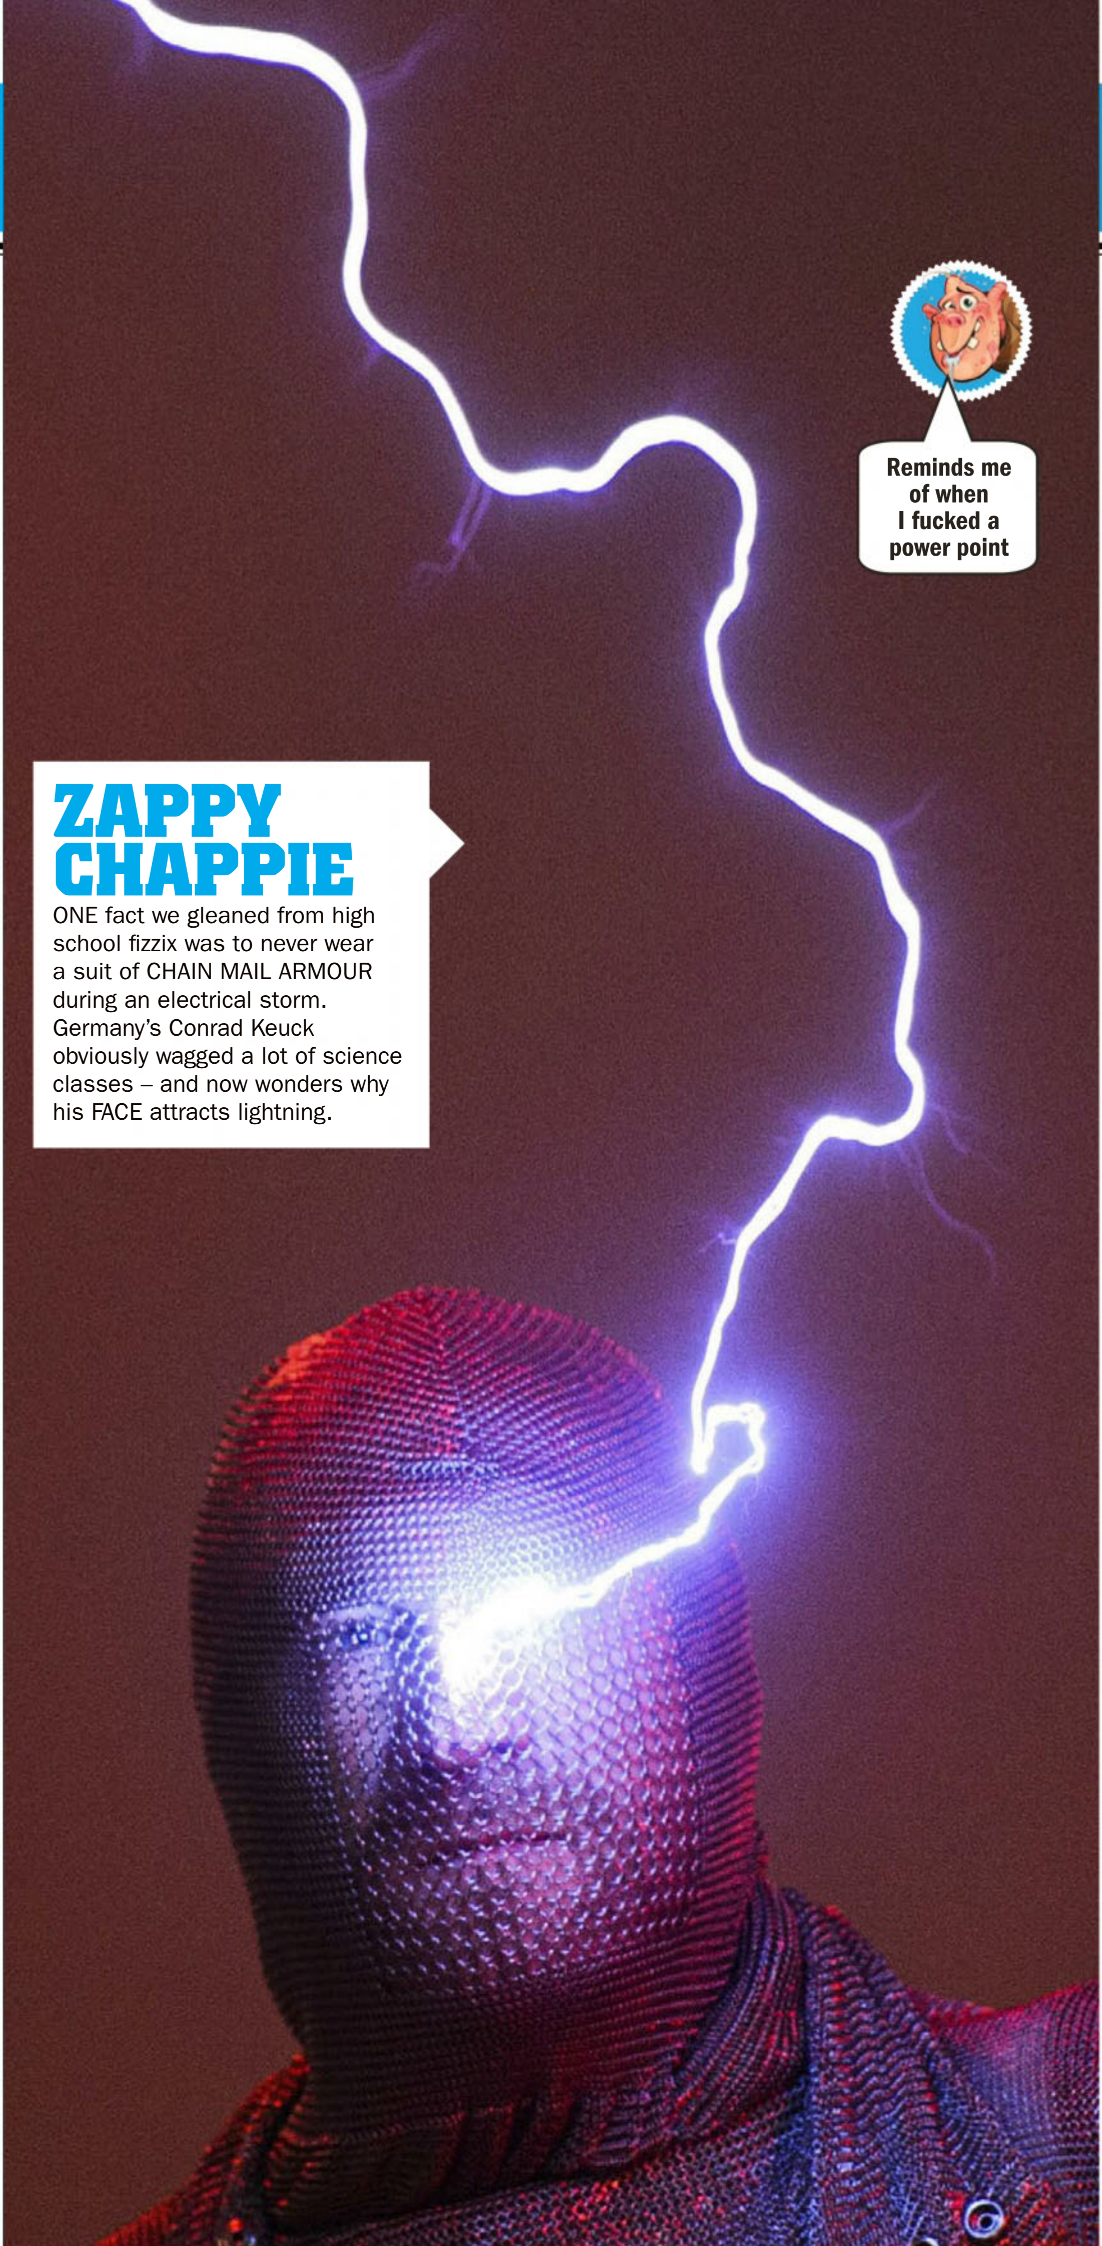
FIGHT CREW

THE last time we wore a costume to the airport there was an, ahem, "international incident". But at Singapore's Changi Airport everyone seems cool about the presence of IMPERIAL STORMTROOPERS and a tie-fighter pilot promoting *Star Wars: The Force Awakens*. Hmmm…maybe IT'S A TRAP!

They're rucking gorgeous!

FOOTYLICIOUS

IT'S about time female athletes got more EXPOSURE – particularly when those athletes are the FIT AS FUCK Oxford University women's rugby team, playing footy in the NUDDY for a ris-kay charity calendar shoot. Everyone wins, especially society.



Reminds me of when I fucked a power point

ZAPPY CHAPPIE

ONE fact we gleaned from high school fizzix was to never wear a suit of CHAIN MAIL ARMOUR during an electrical storm. Germany's Conrad Keuck obviously wagged a lot of science classes – and now wonders why his FACE attracts lightning.

FUNKY FACIAL

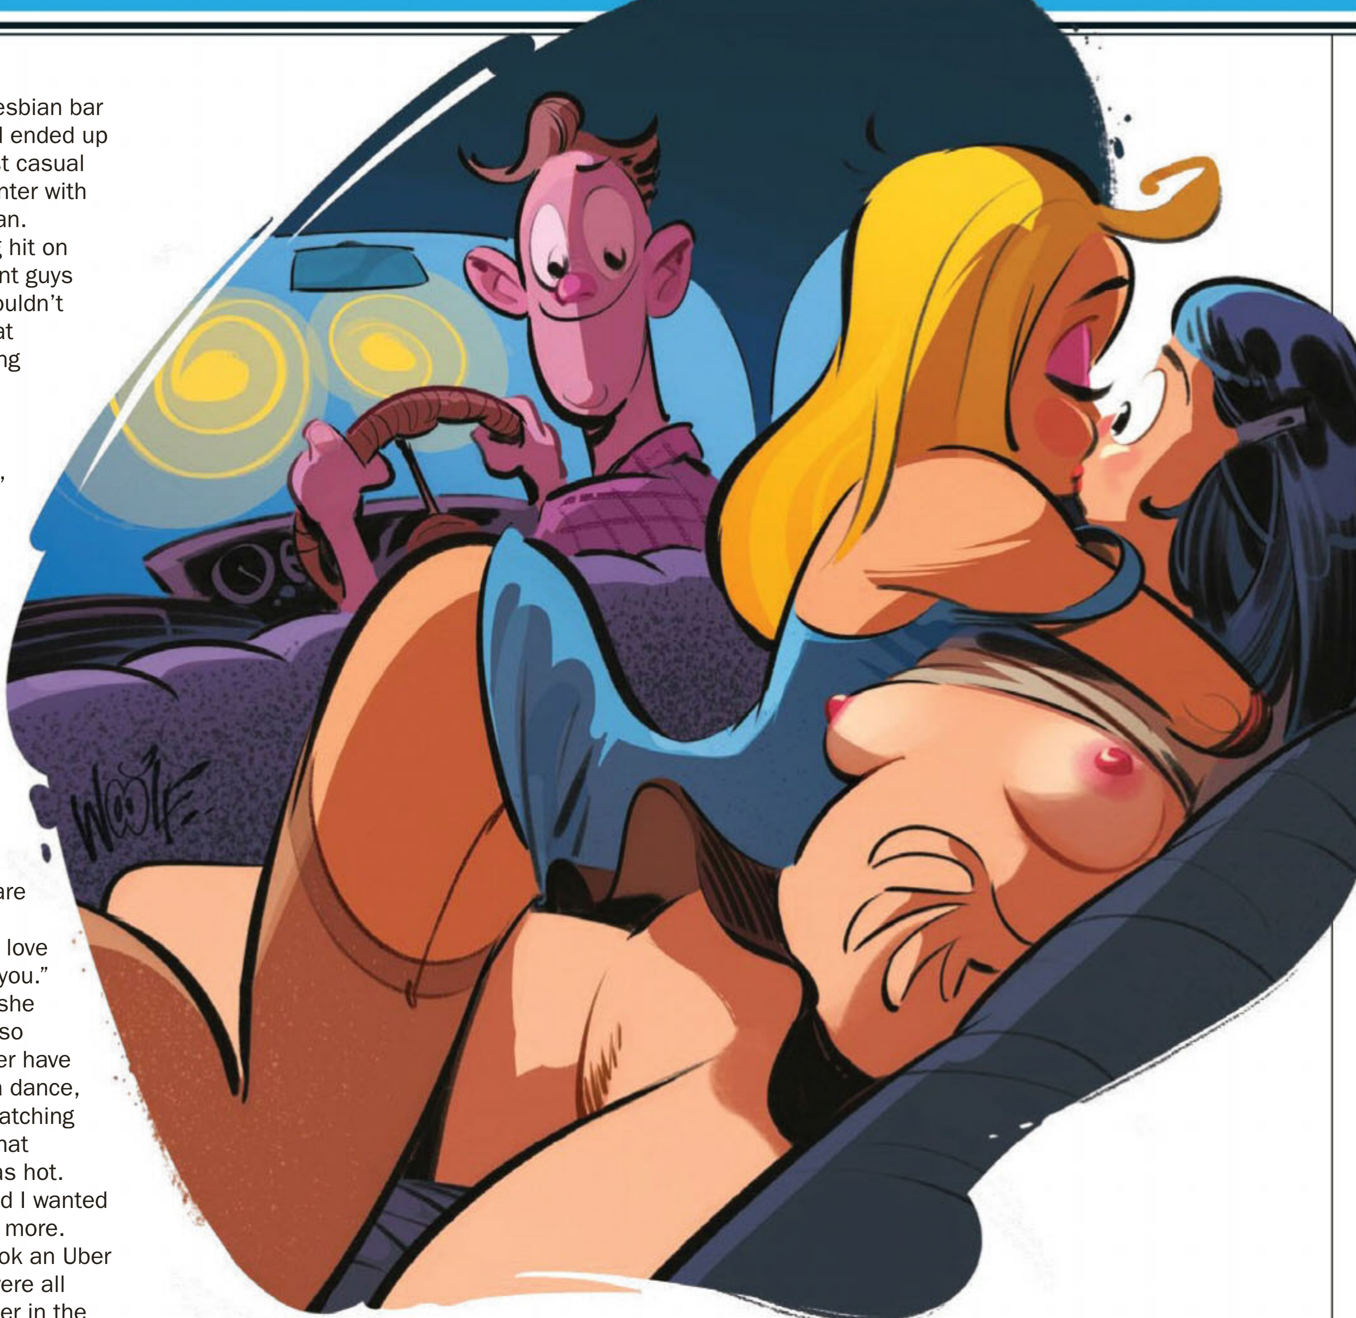
BEAUTY blogger Tracy Kiss reckons the secret to her flawless complexion is regular cum facials! The Pomgolian claims a male friend collects LOADS of his jism in jars and she uses it to moisturise her mug on a daily basis. See, ladies? We told you man-muck was good for your skin!

FUCK-OFF FACTS

- **Yoda purpurata (an acorn worm), wockia chewbacca (a moth) and Midichloria (a genus of bacteria) are all creatures or organisms whose scientific names were inspired by *Star Wars*!**
- **Edwin Robinson, blinded in an accident in 1971, had his vision miraculously restored after being hit by lightning nine years later. Your results may vary, though.**
- **Booze isn't the only fun thing banned in Saudi Arabia. Other forbidden practices include owning pet cats and dogs, wearing red on Valentine's Day and building snowmen! Wowsers!**

BOOZE RUSE

RECKON you're a hard cunt for sneaking a hip flask into a music festival? Ha! A bloke was recently caught trying to smuggle 48,000 cans of Heineken beer into Saudi Arabia, where alcohol is illegal, using Pepsi labels to disguise the tinnies. What a wasted effort! He shoulda just got 24,000 mates to stuff a tube in each pocket of their boardies. Easy!



I WENT to a lesbian bar in Sydney and ended up having my first casual sexual encounter with another woman.

While being hit on by five different guys at the bar I couldn't stop looking at a chick dancing who I thought was very hot.

She was about my age, slender and wearing a tight blue dress that showed off her arse.

She noticed me and came over.

"I hope this doesn't embarrass you," she smiled, "but are you here with someone? I'd love a dance with you."

I could tell she was into me, so I said I'd rather have a drink than a dance, adding that watching her move in that blue dress was hot.

As we talked I wanted her more and more.

Soon we took an Uber to hers and were all over each other in the back seat, much to the surprised driver's enjoyment.

BLUE JEAN

When we arrived at Jean's place the first place we made out was on her bed. She was an excellent kisser. I mean, fucking EXCELLENT.

I took off Jean's outer clothing, then her bra and started kissing her nipples.

Hearing this sexy woman moan softly was a HUGE turn-on and my pussy juices were well-and-truly flowing.

> 'SHE FRENCH-KISSED THE JUICES OFF MY LIPS'

I tried my hand at oral and, after a minute of finding my rhythm, felt Jean rocking against my tongue on her way to an orgasm.

She pulled me up and French-kissed the juices off my lips.

Next, Jean went down on me in a way no man EVER had and I came straight away. She was fucking incredible!

We woke up the next day both feeling a little hung-over and me a bit shy.

However, we swapped mobile phone numbers during coffee in bed. Now, I'm hoping for some more lezzo love with Jean in the very near future!

SHOWER POWER

THE missus and I had put the kids to bed and were in the shower together.

It doesn't happen much these days, so I thought I'd spark up a bit romance by giving Sam a body wash.

I pumped a few dollops of liquid soap into my hands and slowly massaged her back, then moved around the front to lather up her bulbous hooters.

I felt Sam reach behind and begin working my half-baked loaf of bread with the soapy run-off.

I was harder than an algebra equation in seconds. Sam parted her legs invitingly and I gently pushed her against the wall, shoving in my ravaging root-wand with one push and pumping that pussy faster than a NutriBullet.

'RIVERS OF JISM SLOPPED OUT OF HER GOB'

Sam's screams of pleasure were such a turn-on and it was suddenly like old times.

I could feel myself ready to explode, so I asked Sam to drop to her knees and swallow my chunky custard.

I wanked out the last few seconds and spurted my foamy fuck-matter into her wanton mouth. Sam tried not to gag as rivers of jism slopped out of her gob and ran down her chin, splashing on the tiled floor.

After that, we went back to showering like regular boring parents again.

Huey, WA

IN HER PRIME

I'M 37 and had been flirting pretty hard with a guy in his 20s on Tinder for weeks.

Blowjobs, doggy…you name the fantasy, we'd talked about it. When I finally agreed to go on a date with him, it was no surprise things got out of control fast.

He was in his best clothes when I opened the door to greet him. I looked him up and down and let our animal urges take over. Dinner at the Thai restaurant could wait.

Brett shoved me against the nearest wall and started kissing the side of my neck.

He started undressing, which I initially thought was weird because I thought he'd tear off my clothes first.

'I ACTED LIKE A COCK-HUNGRY COUGAR'

But I stopped caring when Brett picked me up in one swoop and chucked me on the bed. I laid back and watched Brett take off his boxers and there it was.

Like the rest of his bod, Brett's 12-inch donger was tanned, thick and a little veiny.

I edged forward and cupped his balls in my hand, kissed his dick and pulled the spongy, mushroom-like head between my lips.

After 20 minutes of mouth-fucking bliss – ensuring he didn't cum too soon – he took his fire sextinguisher from my gob and plunged it into my sweaty moot.

He jackhammered away with youthful enthusiasm while I begged for more, acting like a cock-hungry cougar as opposed to just a sex-starved single lady.

Afterwards, we went to the restaurant and had a lovely time. On the way back from tea we rooted once more on the bonnet of his car.

But that's another story.

PURRRFE

★★ Trim, taut, terrific & up for a tonk

FEMME FACTS

Name: Kat **Age:** 25
From: Newtown, NSW
What's the guts?
Many Sydney gals are known for being fun-loving, healthy and sexy. Kat ticks all three boxes and makes us wanna root...er, MEET her!

ECT!

NEWTOWN nudie **Kat**, 25, is what we'd call a typical Sydney stunna: fun, toned and with a sex-drive that's "through the roof". Sadly, we don't think we could keep up with her in the bedroom. But we're willing to try!

YOUR body's tight, Kat! Do you work out a lot?
"Staying fit and healthy is very important to me. The good thing ▸

about Sydney is that it's a place people can exercise both at the beach AND in the city, so I like switching up my routines to keep things interesting."

Do you reckon it sparks one's desire to FUCK as well?

"My sex-drive is through the ROOF and I think keeping fit has a lot to do with it. Not to mention it helps endurance in the bedroom. Oh, and I'm vegan and have heard more than once that we taste better…"

Nom nom! Are you a flexible kitty in bed, Kat?

"I'm all for trying new positions and, since I'm extra-flexible, I like being bent around in any and every way. Other than that, I think role-play is pretty sexy – especially when I'm the submissive one."

Do things get a bit…FREAKY between the sheets?

"It depends who I'm with. Let's put it this way, I'll be more of a freak if I can see that's what he's into. Sometimes I surprise MYSELF with what I do."

Are you into hipster dudes or regular blokes?

"I have a weakness for long-haired guitarists and surfers, but I'd like to think I'm open to ALL types of men. Otherwise, I'd just be limiting myself to all the potential hotties out there."

Summer's here, Kat, so what are you drinking this silly season?

"I LOVE a cold beer at the beach but otherwise I usually drink wine. We're lucky to have the choice of anything we want to drink!"

That's why we're the lucky country!

Name: Anna Bell Peaks
Age: 34
From: Los Angeles, CA
What's the guts? Given half a chance, ABP would love to crawl between the sheets with Matthew McConaughey and Milla Jovovich in a celebrity threesome. Oh...the kinky shit they'd get up to...

WE DUG Digital Playground's *Hot Chicks Big Fangs 2* when we reviewed it recently. The standout performer in the vampire-themed flick is **Anna Bell Peaks**, so we're stoked to feature the 32G-wielding seductress in this wicked pictorial. Sink yer teeth in!

WHAT was your fave part of making *Hot Chicks Big Fangs 2*, AB?
"A hot orgy scene made it OTT sexy…I got to lick and play with three other girls – Nikki Benz, Riley Reid and Jillian Janson – and two hot men."
You sucked them dry at both ends, mate. What's the secret to your soaring popularity?
"People tell me it's my tits or my smile. I'm genuine, nice and eager to please. I'm drama free, love sex and was raised to be nice to everyone and respectful of men."
Have you lost track of how many tatts you've collected? ▸

‘KNOWING A STUFFED PANTY IS GETTING CUMMY WITH MY JUICES IS SUCH A TURN-ON’

“I have 27 tattoos. I got my first one at 18, a tiny butterfly on my shoulder.”

Any porn fantasies you wanna fulfil?

“I want to work with Joanna Angel on a scene, and I’d like a BBG shoot where I get to fuck and suck at the same time. I want to do a bondage scene, because it turns me on, and pretty much ANY scene where it appears to be public. Public sex is the hottest thing on Earth.”

Fave rooting possie?

“Being on top ’cos I like seeing the eyes of who I fuck and having my tits played with. I also love missionary when my ankles are on their shoulders so my hips are raised and I can take the cock as deep as it goes! OMG, amazing orgasms!”

You look wild. What fetishes are you into?

“My biggest fetish is panty stuffing. Knowing that a stuffed panty is getting wet and cummy with my juices is such a turn-on! I like being tied up, and I love my nipples teased and bitten and sucked. There isn’t much I don’t like. I’m super-open-minded to try just about anything once!”

My GP says I'm STD-free. Who wants to fuck?!

WRECKED!

Amy Schumer's hit film is kind of a biopic

IS SEPPO comedian **Amy Schumer** really the sort of girl that gets hammered at every party she goes to and drags the pants off every bloke she meets? Y'know – the girl of your dreams?

Or is the star of Hollywood blockbuster *Trainwreck* – which she also wrote – having us on?

A special investigation by the *People* team into the alleged sordid past of the fastest rising star in comedy has arrived at the conclusion that… well, we're just not sure.

Of course, Amy's dropped quite a few hints through her comedy career that she's not exactly Snow White when it comes to sex and booze.

She's admitted that Amy Townsend, the character she plays in *Trainwreck*, is loosely modelled on her.

"It's a lot of me in the movie," she confesses. "Unfortunately, I don't have as much sex as her, or drink and abuse substances … I mean I do it, but just not as much. Basically, it's me 10 years ago. I was drinking my own body weight most nights back then."

That would have been when she was 24 and just kicking off her comedy career in the clubs of home town New York.

But even before that, she reckons she was a huge party animal when she was at uni in Baltimore.

Now she blames it all on her low self-esteem at the time.

However, at least some of her less-than-savoury social habits provided her with a lot of good material for her stand-up act.

So whether or not she was actually getting black-out drunk and waking up with complete strangers on a regular basis, PRETENDING she did gave her career a real boost.

"In every group of girlfriends," she says of those years, "there's that one who's the sluttiest. If you don't have that friend, then you're that friend."

Schumer continues, "I'm not really a slut. I've only slept with four guys. That was a weird night."

> 'THERE'S A LOT OF ME IN TRAINWRECK'

Delivering her stand-up while slugging from a bottle of wine and discussing her latest bout of STD just reinforced the impression she was a female version of early Russell Brand, with less frightening hair.

These days, even though she reckons she's toned it down some, she says she still likes to hoist a few.

"I love to drink," Amy reveals. "I don't get shitfaced, but I love to have a couple of drinks. A chardonnay or a big red, and I love a martini. I also love tequila and margaritas. I drink a lot of things. It'll be rubbing alcohol within the next six months."

Erm… she's kidding about the rubbing alcohol. We think.

At least she didn't fall into the trap of many young show biz up-and-comers and start hoovering the devil's dandruff.

"I've never done cocaine," she claims. "Just mushrooms and weed."

Right. So maybe don't book her quite yet to give that just-say-no-to-drugs talk at your kid's high school.

PRODUCT 45

By Murray Bennett
Out now, RRP: $120

ONE of the sad realities of buying music via iTunes and other digital outlets is that listeners miss out on the joys of the packaging. Back in the day, for some bands' releases, the record cover was arguably the most entertaining thing about their records.

Murray Bennett's lavishly illustrated coffee table book, ***Product 45***, celebrates the cover art of Aussie punk and post-punk bands from 1976-80.

The best 45s were awesome – well-designed and eye-catching – and made by the artists themselves rather than by soulless big corporations.

It was true DIY creativity.

Compiler and archivist Murray has put the best examples in his book, which features comments from leading figures of that era, including Stephen Cummings, Dave Warner and Ray Ahn from The Hard-Ons.

WIN!

WE'RE giving away ONE book, thanks to Murray. To enter, **just tell us IN ONE SENTENCE the first record shop you ever bought a 45 single**. The most misty-eyed nostalgic answers will get a book. Mark your entries "*Product 45* comp".

AUSTRALIAN PUNK / POST-PUNK RECORD COVERS

"Music is a wonderful thing, it means so much to so many different people," the author revealed. "The same song can be loved or loathed. But music is intangible; you can't reach out and touch it, but you CAN with the packaging it comes in. To most musicians and bands the packaging of their music is integral to their music within."

He said *Product 45* is the first in a series of three books examining "the art of packaging Australian music as told by the musicians, the artists and the fans".

If they're as good as this one, then they'll be essential reads for true music fans.

Dark Was The Night

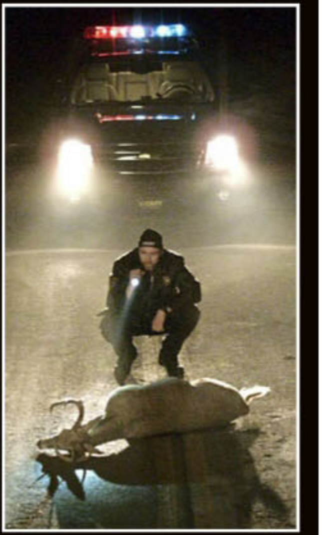
Eagle Entertainment, rated M, out now, RRP: $29.95 (DVD)

What's the guts? When a logging company starts operations in an isolated forest, it sets off a chain of events that unleashes an ancient evil that creates havoc in a nearby town. Now it's up to a sheriff – who has a few demons of his own – to deal with the crisis and save his community from becoming an all-you-can-eat monster buffet.

DARK WAS THE NIGHT

Anything else? Wow! We knew logging was a touchy subject, but now we have to deal with another aspect of this controversial issue: logging MAY lead to the arrival of hideous monsters that attack and kill members of the local community. Food for thought, readers. Or food for monsters. You decide.

Final word: Good thing we brought chainsaws.



WIN!

THE dark forces at Eagle have spirited FIVE DVDs to us. To get yours, **just tell us IN ONE SENTENCE why you hate the dark (or love it)**. The five night'n'day answers will receive a DVD. Mark your entries "*Dark Was The Night* comp".

IMPORTANT!

Send entries to: *Win Stuff!*, c/- *People*, GPO Box 2860, Sydney, NSW 2001. Entries close at 5pm on January 8, 2016.

Mission: Impossible: Rogue Nation

TOM CRUISE
MISSION: IMPOSSIBLE
ROGUE NATION
THE BEST MISSION YET

Paramount, rated M, out December 10, RRP: $39.99 (DVD)/$44.95 (Blu-ray)
What's the guts? The CIA may have closed down his operation, but Ethan Hunt is still in business. He and his team are racing to stop a dangerous group of rogue spies known as The Syndicate. Can even Ethan defeat this new global threat, especially with a mysterious new recruit on his team, who may or may not be a traitor?

Anything else? The fifth instalment in the super-popular *Mission: Impossible* series explodes on your screen with thrilling action and jaw-shattering stunts that'll make your bowels tighten. Tom Cruise returns as secret agent Ethan Hunt, as do co-stars Jeremy Renner, Simon Pegg and Ving Rhames. Also along for the ride are Alec Baldwin and newcomer Rebecca Ferguson. Watch this film and prepare to be thoroughly entertained.
Final word: Enjoy this flick? Mission: highly bloody possible!

© 2015 PARAMOUNT PICTURES. MISSION: IMPOSSIBLE® IS A TRADEMARK OF PARAMOUNT PICTURES

COURTESY of our sneaky friends at Paramount we have TEN DVDs to give away. To enter, **just tell us IN ONE SENTENCE the acest movie Tom Cruise has made.** The 10 best answers will score a DVD. Mark your entries "*Mission: Impossible: Rogue Nation* comp".

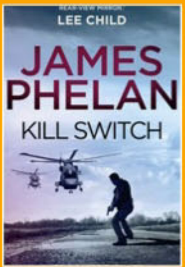
Kill Switch



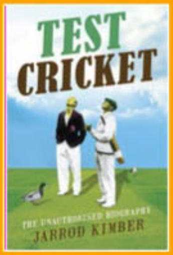
By James Phelan
Hachette Australia, out now, RRP: $29.99
What's the guts? More bad news, folks – the world is under cyber-attack, this time courtesy of a bunch of bad bastards known as Zodiac. We now have 48 hours before a global disaster destroys life as we know it...unless the US President does the unthinkable and turns off the internet.
Anything else? Oh yeah...President Trump (just kidding...let's just call him the Prez) will enact the Internet Freedom Act – aka the "Kill Switch" – and cut off everyone in the USA from their fave porn sites...and other stuff. But that move will plunge the world into electronic chaos. Only ex-CIA spook Jed Walker can prevent everything going pear-shaped by stopping Zodiac and prevent the "Kill Switch" being flicked.
Final word: Kill or be killed!

WIN!

WE'RE handing out THREE copies, thanks to our mates at Hachette Australia. To be in it to win it, **just tell us IN ONE SENTENCE your fave website in cyberspace.** The three most switched-on answers will get a book. Mark your entries "*Kill Switch* comp".

Test Cricket

By Jarrod Kimber
Hardie Grant, out now, RRP: $24.95
What's the guts? With Test cricket on its last legs thanks to the popularity of one-dayers and Twenty20, it's time to inject humour into a fairly grim situation for white-flannel fans. Which is what *Test Cricket: The Unauthorised Biography* does by examining the great characters and moments from the past 138 years of Tests.



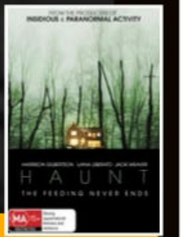
Anything else? Kimber talks about the stories behind the sport's superstars, teams and classic moments, unearthing every controversy and legend that makes Tests the best form of cricket. From WG Grace (who bet on his own matches) to chucking and underarm bowling (not surprisingly, it was invented by the Poms), this tome will make you smile. Hell, you may even chuckle a little.
Final word: Testing times.

WIN!

THREE copies are up for grabs, courtesy of Hardie Grant. To win a copy, **just tell us IN ONE SENTENCE your fave Test cricket memory.** The three best answers will score a book. Mark your entries "*Test Cricket* comp".

Haunt

Eagle Entertainment, rated MA, out Dec. 9, RRP: $29.95 (DVD)
What's the guts? Aussie legend Jackie Weaver classes up proceedings in this creepy tale about a shy teenager who joins with a hot young neighbour to explore the alleged haunted house his family has bought. The duo soon learn they can remove the word "alleged" from the house's description.
Anything else? Communicating with the dead? No good can come of it, we say. When Evan and sexy Sam decide to muck about with an old radio in the attic, they soon find themselves chatting with the dearly departed, who decide they'd like to visit the real world. Horror is unleashed and all we can say is, YOU HAVE NO-ONE TO BLAME BUT YOURSELVES, KIDS!
Final word: Turn off that bloody radio!



WIN!

THE haunted folk at Eagle have provided FIVE DVDs for this contest. To win, **just tell us IN ONE SENTENCE about the creepiest house you've been in.** The five scariest answers will score a DVD. Mark your entries "*Haunt* comp".

RIM JOB

DO GUYS who like backdoor play freak you out?
"To the contrary, I think it's HAWT!!! We normally associate rimming or anal sex as something guys do to girls, but there's no reason the roles can't be reversed."

Have you done it?
"Just once – but I was too horny and wanting him inside me, so I rimmed him before we had sex. In case you're wondering, I LOVE doggy style."

It must be quite a view back there.
"Better than you'll ever know."

Dang it.

'I LOVE DOGGY STYLE!'
